Name Plaque

- Heavy Gauge Guilding Metal
- Securement of plaque to stand and engraving service available if required

Name Plaque Finish

- When supplied, the plaque will have a bright finish similar to a new penny. When exposed to the elements, the plaque will naturally tarnish and develop a bronze lustre.
- The plaque will be supplied lacquered at no extra charge, this will maintain the bright finish for about 1 year.
- Simple cleaning/reapplication of lacquer can be carried out approximately annually if it is desired to maintain a bright finish.
