51 to 100	10%	£23.10
101 +	15%	£21.82

0.9 nom dia x 0.6m deep (3 panels)

Quantity	Discount	Unit Price
1 to 10	0%	£39.66
11 to 50	5%	£37.68
51 to 100	10%	£35.70
101 +	15%	£35.72

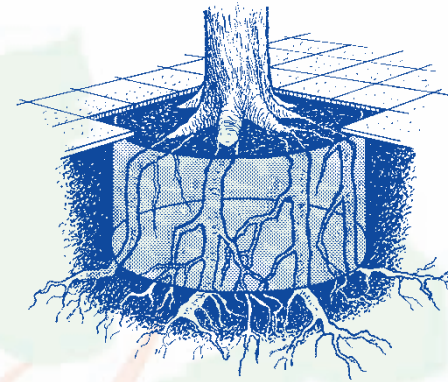

1.2 nom dia x 0.6m deep (4 panels)

Quantity	Discount	Unit Price
1 to 10	0%	£52.50
11 to 50	5%	£49.88
51 to 100	10%	£47.25
101 +	15%	£44.63

Larger units can be supplied in increments of 0.3m dia at £13.00 per increment

Weight	5 x 0.6m dia units	6kg
	5 x 0.9m dia units	8kg
	5 x 1.2m dia units	10kg

- Manufactured from high quality 100% recycled polymer, each unit is light weight and flexible, yet strong enough to hold its form during back filling.
- Each barrier/guidance system is supplied fully assembled and requires no special tools or adhesive tapes for installation.
- Units can easily be handled and installed in any weather conditions by a single planting operative with virtually no increase in the overall planting time of the tree.
- Units are 0.6m deep and come in the nominal diameters shown in the opposite price list.

Anchoring roots are directed downward effectively extending the trunk of the tree.

At the base of the barrier they spread out laterally, thus minimising damage to hard landscaping surfaces.

ENVIRONMENTAL INFORMATION	
• PROPORTION OF PRODUCT THAT CAN BE RECYCLED AFTER USE	100%
• REUSE OF PRODUCT?	No
• PROPORTION OF RECYCLED MATERIAL USED IN MANUFACTURE OF PRODUCT	100%
• QUALITY ASSURED & CERTIFIED POLYMER COATING FOR MAXIMUM REUSE	N/A
• SUBTERRANEAN COMPONENTS BIO-DEGRADABLE	No

No on-site tools needed, simply open the unit up and drop into the tree planting pit.
